Tri-County Office on Aging

FY 2018

County/Local Unit of Govt. Review

The Tri-County Office on Aging Administrative Board (Tri-County Aging Consortium) is made up of representatives from five local units of government: Clinton, Eaton & Ingham counties, and the cities of Lansing & East Lansing. TCOA Advisory Council older adult members are appointed by their respective local units of government. Both the Advisory Council and Board review, recommend approval of and approve the Annual Implementation Plan (AIP).

TCOA sent a letter and a copy of the 2018 AIP to local units of Government via certified mail and signature confirmation on June 23, 2017, requesting approval of the AIP no later than August 1, 2017. The letter stated that if a response is not received by August 3, 2017, it will then be considered passively approved.

Approved Multi-Year Plan Highlights

1. A brief history of the area agency and respective PSA that provides a context for the MYP. It is appropriate to include the area agency's vision and/or mission statements in this section.

Tri-County Office on Aging (TCOA) is the Area Agency on Aging for Region 6 serving Clinton, Eaton and Ingham Counties. The Consortium is a regional Administrative Board governing TCOA and consists of elected officials representing the three counties and the cities of Lansing and East Lansing. The Consortium was established in 1974 through a regional cooperative agreement under the Michigan Urban Cooperation Act of 1967. TCOA was designated the Area Agency on Aging through the Michigan Aging and Adult Services Agency as a response to the 1973 amendments of the federal Older Americans Act. TCOA's mission is to promote and preserve the independence and dignity of the aging population. This mission is at the core of all programs and services the agency provides in its service area and the foundation of the agency's 2017-2019 Multi-Year Plan. This plan was created using the input of local seniors and persons with disabilities, staff members and members of the agency's Advisory Council and Administrative Board.

2. A summary of the area agency's service population evaluation from the Scope of Services section.

In 2004, the Tri-Counting Aging Consortium Charter was amended to include adults with disabilities in addition to older adults as a target population. Although the funds through the Older Americans Act and the Older Michiganians Act are directed to persons over age 60, TCOA has administered the Michigan Medicaid Home and Community Based Services Waiver to the Aged and Disabled since 1992 and was one of the first three pioneer agencies for the Waiver.

Between the 2000 national census and the 2014 national census estimate, the three counties that make up TCOA's service area have seen a significant increase in the 60 and older population. In 2000 the tri-county population of adults age 60 and older was 59,807. In 2014 this population had grown to 85,737, just over 18% of the total tri-county population. This is an increase of over 25,000 seniors. TCOA has continued prioritizing services to focus on serving individuals considered high risk and needing the most assistance.

3. A summary of services to be provided under the plan which includes identification of the five service categories receiving the most funds and the five service categories with the greatest number of anticipated participants.

Proposed services to be provided under the area plan include Supportive Services, Congregate Meals, Home Delivered Meals, Caregiver Supports, Preventative Health, Elder Abuse Prevention, Access Services, In-Home Services, Respite Care, Ombudsman Services and work to secure a Community For a Lifetime in the tri-county area. The priorities identified in this Plan were developed with input from consumers, Board Members, Advisory Council and a team of staff members including directors from various departments. The Multi-Year Plan proposes to provide a blueprint for what TCOA intends to accomplish over the next three years.

Five Service Categories Receiving the Most Funds:

1. Home Delivered Meals (Meals on Wheels)

Tri-County Office on Aging

FY 2018

2. Congregate Meals (Senior Dining Sites)
3. Personal Care
4. Care Management
5. Homemaking

Five Service Categories with the Greatest Number of Anticipated Participants:

1. Outreach
2. Home Delivered Meals (Meals on Wheels)
3. Congregate Meals (Senior Dining Sites)
4. Information and Assistance
5. Legal Assistance

4. Highlights of planned Program Development Objectives.

With the hopes that more communities in the tri-county area will conduct an aging-friendly community assessment and apply for recognition to Aging and Adult Services Agency as a Communities For a Lifetime (CFL), TCOA would like to work to secure the City of Lansing as a recognized CFL by September 2019 and increase the number of CFLs in TCOA's Planning and Service Area.

In order to ensure older adults have access to information and services to improve their ability to make an educated decision regarding their independence, TCOA hopes to improve access to programs and services for underserved populations, expand housing assistance to increase access to community housing options, provide information about benefits and help people solve problems with health benefit programs and related insurance products, improve transportation options and usability, focusing on TCOA's consumer demographic needs, increase access to kinship care services in the tri-county area, work to advance community integration and outreach efforts and work to advance advocacy efforts in the tri-county area.

By continuing to expand access to evidence-based disease prevention programs in the tri-county area, providing access to healthy and affordable meals to nutritionally at risk older adults, reducing unnecessary re-admittance to hospitals for high-risk adults and exploring opportunity to assist community members in securing a Senior Millage for vital unmet needs, TCOA is hoping to improve access to health, wellness and nutrition supports.

Raising awareness of domestic abuse, physical and sexual abuse and financial exploitation occurring in the older adult population and how to better respond to these situations will help the community and TCOA to protect older adults from abuse and exploitation.

With the hopes to better support individuals with dementia living in the community, as well as their caregivers, TCOA would like to work to expand access to programs and services available for individuals with Alzheimer's Disease and other forms of dementia who are residing in the community, as well as their formal and informal caregivers.

5. A description of planned special projects and partnerships.

* AARP - Partner with AARP to advance efforts to help people live easily and comfortably in their homes and communities as they age. As a result of the partnership, TCOA hopes aid in the recognition of the City of Lansing as an Age-Friendly Community by September 2019.

Tri-County Office on Aging

FY 2018

- * Capital Area Collaborative for Care Transitions: Attend meetings with this cross-provider collaborative to reduce unnecessary hospital readmissions. Work with local hospitals, health plans and community providers on the Capital Area Community-Based Care Transitions Program to reduce hospital readmissions for high-risk Medicare beneficiaries by 20%.
- * Medicare/Medicaid Assistance Program – Continue to partner with Capital Area Community Services and Disability Network Capital Area to provide MMAP services in the tri-county area. Recruit and train new MMAP volunteers including using social media and outreach to obtain new volunteers to keep up with growing demand from the changing health care system.
- * Evidence-based programs – Strengthen partnerships with health plans, physician groups and community organizations to expand implementation of evidence-based programs.

6. A description of specific management initiatives the area agency plans to undertake to achieve increased efficiency in service delivery, including any relevant certifications or accreditations the area agency has received or is pursuing.

TCOA is continually searching out methods to improve efficiency and save money. Some ways the agency is working on improving efficiency include:

- * Careful shopping of all agency purchases and holding off on non-essential purchases
- * Negotiating better contract with vendors
- * Continue with lower cost IT service provider
- * Migration to internal file servers
- * Convert telephones lines to fiber connection

Although TCOA is not intentionally seeking the various accreditations, in FY 2015 TCOA worked through an outside vendor to promote and provide Matter of Balance and Personal Action Toward Health classes. The program also moved forward with the Medicare application process and securing a dietitian in order for TCOA to become accredited.

7. A description of how the area agency's strategy for developing non-formula resources (including utilization of volunteers) will support implementation of the MYP and help address the increased service demand.

Each year over 1,600 individuals volunteer with TCOA and contribute over 43,000 hours of service. These hours are the equivalent of over 28 full time employees. TCOA's Meals on Wheels program could not run without the generosity of these volunteers. The local Medicare/Medicaid Assistance Program also is a beneficiary of many of these service hours and was able to assist over 2,300 tri-county residents last year because of this support. Finally, TCOA supplements its state and local funding with grant writing and fundraising activities throughout the year. New fund development staff will build on the success of FY 2016 by continuing to identify and explore additional funding opportunities. These activities help to pay for additional client services and office supplies and equipment that the agency could not otherwise afford.

8. Highlights of strategic planning activities.

Strategic planning and prioritizing is essential in continuing to provide quality, person-centered programs and services in an efficient and effective way. All strategies to reduce agency expenditures are explored while reducing services, primarily in-home supports, would be the last avenue. TCOA prides itself on putting the client's need above all else and recognizes that seniors are aging in place, want to be more active, and are using or wanting to use technology more. The agency hopes to always be relevant and timely with technology upgrades and implementations. Contingency plans are continually reviewed and revised as new challenges and opportunities arise throughout the year. TCOA will utilize community partnerships and interactions with the Advisory Council and county Human Service Collaborations/Interagency councils to continually gather input and feedback as the agency moves forward with considering new ideas and proposed new initiatives.

2018 AIP Highlights

In relation to the 2017-2019 MYP Goal to improve access to health, wellness and nutrition supports by expanding access to evidence-based disease prevention programs, TCOA plans to offer and expand Medical Nutrition Therapy (MNT) and the Chronic Pain PATH that began in FY 2017. Chronic Pain PATH and MNT are two new services TCOA is offering. Because these programs are new, TCOA has started promoting the programs to TCOA's current community partners along with a local university and local physician offices, including offices that specialize in pain management. Engagement with county substance abuse coalitions is also a possibility.

TCOA was asked to partner with researchers at Michigan State University on two separate projects funded by the Michigan Health Endowment Fund. The first is the Integrated Model for Personal Assistant Research and Training (IMPART) project, which aims to build and strengthen the personal care provider workforce and establish and a strong coalition in support of a high-quality personal aide workforce. The second is called Partners in Aging Strategies and Training (PAST.) The overarching goal of PAST is to train primary care healthcare providers in evidence-based programs and community educational opportunities available in their communities for older adult patients and caregivers. Specific roles and responsibilities are being determined and active participation will continue in FY 2018.

TCOA was notified in December 2016 that Sparrow Hospital would not be renewing the contract to continue Care Transitions. Discussions are still underway with McLaren Hospital to reinitiate the program there, and the local Care Transitions Collaborative is looking at a "Patient Activation Model." No new clients were received after December 2016. Clients were followed through January 2017 to close out the program.

An initiative to increase awareness of elder abuse through community education is being explored. TCOA is looking at partnering with current contractors and local community-based organizations to execute plans.

In order to develop greater capacity to serve individuals with dementia and their families in our community, in FY18 TCOA will offer staff the opportunity for small group discussion on dementia and related issues as a follow-up to the FY17 all staff training held April 25. TCOA will post-test staff knowledge with the assessment tool that was used as a pre-test prior to the original all staff training. TCOA also plans to identify individuals in the community who might benefit from further assessment by their physician and provide referral information to those identified. TCOA staff who have direct contact with clients through I&A, MOW and MMAP will be trained to utilize a dementia screening tool such as the AD8 in order to accomplish this. TCOA will develop a plan to provide evidence-informed dementia care training for secondary caregivers, first responders and direct care workers. TCOA will work collaboratively with AASA and other participating AAAs to identify appropriate training. TCOA will continue to offer Options Counseling that includes information on dementia care and futures planning.

A public hearing was held on June 8, 2017 at Tri-County Office on Aging in Lansing. A presentation was made during the public hearing outlining any changes or updates made to the 2017-2019 MYP in the 2018 AIP. Notice of the Public Hearing was posted in a paid Public Notice in the Lansing State Journal, and on site at TCOA. An email or mail notice was also sent to all TCOA providers, contractors and congregate dining sites with request to post a Hearing flyer at physical locations as well as an email blast to all mailing list recipients thirty days prior to the Hearing.

While no input was received in writing prior to the public hearing, input during the hearing included positive feedback on continuing to support and explore ways to support underserved populations, including the LGBT community. Another comment acknowledged and appreciated the goal to explore initiative and partnerships to increase awareness of elder abuse through community education.

Approved MYP Program Development Objectives

Area Agency on Aging Goal

- A. More communities in the tri-county area will conduct an aging-friendly community assessment and apply for recognition to Aging and Adult Services Agency as a Communities For a Lifetime (CFL).**

State Goal Match: 1, 3, 5

Narrative

TCOA's mission to promote and preserve the independence and dignity of the aging population aligns with the desire to have at least one community in the PSA to receive recognition as a CFL. TCOA hopes to retain and attract residents, particularly seniors, to assist the communities to thrive and have access to goods, services and opportunities for quality living across the lifespan.

Objectives

1. Work to secure a community in the tri-county area as a recognized CFL by September 2019, such as the City of Lansing.

Timeline: 10/01/2016 to 09/30/2019

Activities

·Partner with AARP to advance efforts to help people live easily and comfortably in their homes and communities as they age.

Conduct an aging-friendly community assessment for the City of Lansing and apply for recognition to Aging and Adult Services Agency as a CFL.

Expected Outcome

City of Lansing will be recognized as a Communities for a Lifetime and help them to retain and attract residents of all ages so the communities can thrive and have access to goods, services and opportunities for quality living across the lifespan.

Progress

-Attended AARP Forum to support efforts, provide input and promote a partnership to advance the aging friendly communities initiative.

-Provided CFL information and documentation on the process to become recognized as a CFL to the City of Lansing.

2. Increase the number of CFL's in TCOA's Planning and Service Area.

Timeline: 10/01/2016 to 09/30/2019

Activities

Explore other communities in the tri-county area that may be willing to align their efforts with the qualifications and requirements to become a CFL.

Expected Outcome

Additional communities in the tri-county area will work to align their efforts with the qualifications and requirements

Tri-County Office on Aging

FY 2018

to become a CFL and potentially complete the assessment to be recognized as a CFL.

Progress

-Provided CFL information and documentation on the process to become recognized as a CFL to Delhi Township and offered information sharing to other local communities, including the City of East Lansing, in hopes more communities in the tri-county area that may be willing to align their efforts with the qualifications and requirements to become a CFL.

B. Ensure older adults have access to information and services to improve their ability to make an educated decision regarding their independence.

State Goal Match: 2, 3, 4, 5, 6

Narrative

TCOA holds the independence and dignity of the aging population to high regard and hopes to improve the ability for local residents to access information. Feedback from the needs assessments and community forums will help the agency get information about available programs and services to the target population and their families and caregivers through the preferred avenues expressed by the attendees of those events, as well as additional methods implemented by the agency.

Objectives

1. Improve access to programs and services for underserved populations.

Timeline: 10/01/2016 to 09/30/2019

Activities

·Secure services of a Community Health Worker/Resource Navigator.

Facilitate connections with culturally and/or linguistically specific community based organizations.

Provide access to assistance with MMAP and other public benefits.

Connect with medical community, physician organizations, and health plans.

Connect with neighborhood organizations.

Promote cultural competency issues impacting underserved local seniors and persons with disabilities, including non-English speaking and Lesbian, Gay, Bisexual and Transgender individuals.

Expected Outcome

Tri-county residents will have greater access to available information and services.

Progress

-Received denial from MHEF to fund a Community Health Worker/Resource Navigator. Discussions and exploration of alternate funding source continue.

-Community Relations and Grants Manager attending City of Lansing Diversity Committee meetings (includes Peckham, Cristo Rey, Refugee Services, etc.) to connect with culturally and/or linguistically specific community

FY 2018

based organizations.

-Made a connection with Capital Area Commission for the Blind and attended a meeting of the National Black Caucus on Aging.

-Provided MMAP services to 80 area minorities as of 2nd quarter FY 2017 and did three presentations for community members, including one event at the MSU International Center.

-Resource Link and 4AM continue to pursue Health Plan contracts to provide sustainability to evidence-based programs. Contact has been made with pain management clinics to promote Chronic Pain PATH. We continue to work with physician offices to help promote the workshops.

-In the 1st quarter of FY 2017, outreach efforts to connect with neighborhood organizations included presentations at Mason First United Methodist for the Alzheimer Association Caregiver Support Group, Allen Neighborhood Center for the Senior Discovery group and at the Charlotte Library for the Eaton County Retired Educational Employees meeting.

-In the 1st quarter of FY 2017, outreach efforts to connect with neighborhood organizations included TCOA info in the Allen Neighborhood Center newsletter, attendance at the National Black Caucus on Aging at Letts Community Center, attendance at a community event at Allen Neighborhood Center, Holt Lions Club meeting presentation, attendance at a Health Fair for Housing Services of Mid Michigan, presentation at a Soup Supper at Knights of Columbus in St. Johns and Grace Lutheran church, and presentations at the Meridian and Eaton Area Senior centers.

-Community Relations and Grants Manager is seeking information from SE MI AAA's on their grant from MHEF on LGBT needs. Staff also secured braille resources, and a resource accessibility review is underway to help promote cultural competency in underserved populations.

2. Expand housing assistance to increase access to community housing options.

Timeline: 10/01/2016 to 09/30/2017

Activities

·Create/distribute directory of all senior housing, low income and accessible housing options in the tri-county area.

Convene/facilitate regular meetings for Managers of Senior Complexes and Landlords.

Create/distribute directory of Private Landlords

Expected Outcome

Tri-county residents will have increased access to community housing options.

Progress

-The Housing Specialist is in the process of converting old housing sheet into a user-friendly, more comprehensive spreadsheet while confirming information is current and updated, as needed. The Housing Specialist also developed detailed information sheets for individual complexes.

-To improve communication and information sharing with Senior Complexes and Landlords, the Housing Specialist is meeting individually with landlords and apartment managers.

-The Housing Specialist added private landlords to the housing database spreadsheet.

Tri-County Office on Aging

FY 2018

3. Provide information about benefits and help people solve problems with health benefit programs and related insurance products.
Timeline: 10/01/2016 to 09/30/2019

Activities

- Recruit and train new MMAP volunteers.

Utilize traditional and social media to outreach and obtain new volunteers.

Expected Outcome

Tri-county residents will be more informed about health benefit programs and insurance products.

Progress

- MMAP continues to provide information regarding benefits and helps people solve problems with health benefit programs and related insurance products.
- A new volunteer was recruited and efforts to recruit more volunteers continue.

4. Improve transportation options and usability, focusing on TCOA's consumer demographic needs.
Timeline: 10/01/2016 to 09/30/2019

Activities

- Waiver program staff to schedule appointments and fund non-emergency medical transportation for waiver clients.

Maintain supply of bus passes on hand for non-waiver clients.

Promote Michigan Transportation Connection partnership.

Expected Outcome

Tri-county residents will have improved access to transportation options.

Progress

- Waiver Administrative Assistant and Care Managers on-going task includes scheduling appointments for non-emergency medical transportation.
- A supply of bus passes are kept on hand for non-waiver clients and 44 rides have been provided as of March 31, 2016.
- Reviewing resource materials of Michigan Transportation Connection.

5. Increase access to kinship care services in the tri-county area.
Timeline: 10/01/2016 to 09/30/2019

Activities

Strengthen partnership with Kinship Care Coalition

Expected Outcome

Tri-county residents will have increased access to kinship care services.

Tri-County Office on Aging

FY 2018

Progress

-Posting info about TCOA's local Kinship program to the Kinship Care coalition FB pages and related groups. Still no response to initial attempt to connect and discuss strengthening partnership and community efforts.

-Outreach is also underway to Intermediate School Districts and Regional Educational Service Agencies, as well as other youth-serving organizations.

6. Work to advance community integration and outreach efforts. (also fits agency Goals C, D and E)

Timeline: 10/01/2016 to 09/30/2019

Activities

·Expand public awareness and education efforts.

Maintain Long Term Care Collaborative/Aging and Disability Resource Center partnership.

Develop TCOA Newsletter and communication materials.

Expand partnerships with doctors' offices, physician groups, health plans and community based organizations.

Expected Outcome

There will be increased community partnerships and collaboration efforts that will benefit tri-county residents.

Progress

-Efforts to expand public awareness and education efforts thus far have included multiple volunteer recruitment attempts, a nutrition presentation at NorthWest Initiative, attendance and input at AARP Caregiver forums, multiple health fairs, local radio broadcasts, presence at community events, presentations at local churches and senior centers, a press release on MOW volunteer needs and a presentation at Lansing Community College to nursing students on elder abuse. The Options Counselor participates in Vulnerable Adult Network (VAN) (all 3 counties), Capital Area Aging Network (CAAN), and Lansing Area Veterans Coalition (LAVC). Additional efforts included several media interviews in TCOA's 2nd quarter which contributed to a human interest column in the Lansing State Journal. An extensive volunteer recruitment campaign & Kinship Care outreach continue. Outreach efforts included TCOA info in Allen Neighborhood Center newsletter, attendance at the National Black Caucus on Aging at Letts Community Center, attendance at a Health Fair for Housing Services of Mid Michigan and several other community events and presentations.

-Planned and participated in November ADRC/LTC Collaborative Meeting. Actively recruiting new attendees. The Alzheimer's Association and Grace Hospice have recently joined the collaboration.

-Communication efforts included brainstorming ideas for monthly Mailchimp email to all constituents, updated talking points document and TCOA general brochure, discussed options for Matters of Interest and News Corner pages on website and linking TCOA blog through website, launched monthly e-newsletter and developed a new Kinship Care brochure and flyer.

-In hopes of expanding partnerships with doctors' offices, physician groups, health plans and community based organizations, recent efforts led to SMG Okemos holding a Diabetes PATH workshop at their office and TCOA and Sparrow Care Network are partnering to expand Diabetes PATH into their physician offices across the tri-county area and other regions. TCOA is contracting with Sparrow Care Network to provide leader training to their staff who will then conduct workshops in their offices. TCOA is also connecting with Pain Management physicians to expand Chronic Pain PATH. Resource Link and 4AM continues to pursue contracts with health

plans. Attempts to contact Bridge to Wellness grantees to partner have been made, but no response. Met with Physicians Health Plan Dr. Graham to discuss services provided to clients and community regarding Care Transitions.

7. Work to advance advocacy efforts in the tri-county area.

Timeline: 10/01/2016 to 09/30/2019

Activities

·Have local seniors represent the tri-county area on the Michigan Senior Advocates Council to advocate for older Michiganians.

Continue to have Tri-County Office on Aging staff and Advisory Council representation on the planning committee for Older Michiganians Day.

Encourage Advisory Council members and other local advocates to meet with local state legislators to advocate on issues impacting older adults and persons with disabilities as identified in the Older Michiganians Day Platform.

Expected Outcome

Advocacy efforts will improve existing avenues and provide new opportunities for tri-county residents' opinions and concerns to be heard at the local, state and federal levels.

Progress

-Local seniors represent TCOA on the Michigan Senior Advocates Council and conducted office visits in December 2016. A new member was recruited and will start attending meetings in May.

-Several staff members participate on Steering Committee for Older Michiganians Day (OMD) and the Community Relations and Grants Manager and Executive Director are on the OMD Platform Committee.

-The Advisory Council has been briefed and encouraged to meet with local state legislators to advocate on issues impacting older adults and persons with disabilities as identified in the Older Michiganians Day Platform.

-Approximately 40 older adults from the PSA attended OMD 2017, personally interacting with at least four of the area's legislators.

C. Improve access to health, wellness and nutrition supports.

State Goal Match: 3, 5

Narrative

The needs assessments conducted in early 2016 indicated a great deal of interest in fitness and wellness classes in the tri-county area. Evidence-based disease prevention programs will help to fill this local need. This may also assist in retaining and attracting residents so the communities can thrive across the lifespan.

Objectives

1. Continue to expand access to evidence-based disease prevention programs in the tri-county area.

Timeline: 10/01/2016 to 09/30/2019

Tri-County Office on Aging

FY 2018

Activities

·Work with the Area Agencies on Aging Association of Michigan as well as location providers to increase the number of Enhanced Fitness, A Matter of Balance (MOB), Personal Action Toward Health (PATH), Diabetes PATH (D-PATH) and Creating Confident Caregivers (CCC/SAVVY) classes offered in the tri-county area.

Explore alternative and additional fund sources available to expand and sustain evidence-based programs.

Seek out community partners and train new Coaches, Lay Leaders and Master Trainers for these programs.

Seek out community organizations that serve minorities and underserved populations as partners to offer these programs to otherwise overlooked individuals.

Maintain Medicare certification and explore the possibility of expanding to Medicaid and other health plans for reimbursement.

Work to provide oral health programs in partnership with nutrition and dental organizations.

Expected Outcome

Tri-county residents will have greater access to evidence-based disease prevention programs in the agency's PSA.

Progress

-Contract negotiations continue with Resource Link and health plans to cover Matter of Balance and Diabetes PATH. A contract with Priority Health is pending approval.

-TCOA plans to offer and expand Medical Nutrition Therapy and the Chronic Pain PATH that began in FY 2017. Chronic Pain PATH and Medical Nutrition Therapy (MNT) are two new services TCOA is offering. Because these programs are new, we have started promoting these programs to TCOA's current community partners along with a local university and local physician offices, including offices that specialize in pain management. TCOA has billed and received payment from Medicare for Medical Nutrition Therapy (MNT) and is an active Medicare provider. New referrals are being accepted for MNT. Resource Link and 4AM continue to pursue Medicaid contracts and other health plans for reimbursement. TCOA has also applied for multiple grants to help sustain Evidence Based Programs.

-TCOA has recruited six new coaches/leaders for Diabetes PATH and one new master trainer for MOB. If TCOA receives grant funds to expand Chronic Pain PATH, an active search will be conducted to recruit new leaders for this program.

-Staff is seeking out grant for expanded Rural Ingham workshops.

-The Community Nutrition Manager has been working with Delta Dental, MDHHS and ICHD to provide oral hygiene education and information about where to get care and participated with Eaton County and Michigan Oral Health Coalitions.

2. Provide access to healthy and affordable meals to nutritionally at risk older adults.

Timeline: 10/01/2016 to 09/30/2019

Activities

·Continue and work to expand Project Fresh.

Tri-County Office on Aging

FY 2018

Explore expansion of frozen food pantry to improve participant choice and variety.

Explore additional funding sources.

Expected Outcome

Tri-county residents who are older adults nutritionally at risk will have increased access to healthy and affordable meals.

Progress

-In contact with Sherri King from AASA on expansion efforts for Project Fresh. TCOA is the lead agency for Project Fresh in Ingham County.

-The Nutrition Director has reached out to Dan Ponteous, the Nutrition Program Manager at Senior Services of Southwest Michigan, to seek information on their frozen food option program.

-The Nutrition Director and Community Relations and Grants Manager prepared a grant for Consumers Energy foundation for kitchen equipment to expand capacity.

-Collaboration with Capital Area Community Services and Greater Lansing Food Bank through AmeriCorps worker Rachel Tilson for the Senior Proxy Project is well underway. Client enrollment and deliveries have begun with multiple new referrals received each week.

3. Reduce unnecessary re-admittance to hospitals for high-risk adults.

Timeline: 10/01/2016 to 09/30/2019

Activities

·Expand partnership to more hospitals for the Care Transitions Program.

Work to expand reimbursement sources to Medicare Advantage Plans, Medicaid and private insurances.

Sustain Advanced Care Planning training.

Expected Outcome

Unnecessary re-admittance to hospitals will be reduced and the Care Transitions Program will expand hospital partnerships.

Progress

-TCOA was notified in December 2016 that Sparrow Hospital would not be renewing the contract to continue Care Transitions. Discussions were held with McLaren Hospital to reinstate the program, and the local Care Transitions Collaborative is looking at a "Patient Activation Model (PAM)." No new clients were received after December 2016. Clients were followed through January 2017 to close out the program.

-TCOA hosted an Advanced Care Planning training in December with participants from Sparrow & TCOA, however, with the close of the Care Transitions program, there are no longer sufficient or appropriate staff to provide Advanced Care Planning trainings at this time.

4. Explore the opportunity to assist tri-county community members in securing a Senior Millage for vital unmet needs.

Tri-County Office on Aging

FY 2018

Timeline: 10/01/2016 to 09/30/2019

Activities

Support possible millage planning committee, including providing data and information to inform campaign.

Expected Outcome

Ingham, Eaton and Clinton counties will each secure a Senior Millage for additional funding for vital unmet needs.

Progress

-Planner reached out to other area agencies to research how other organizations were involved in their local millage development process, if at all.

D. Protect older adults from abuse and exploitation.

State Goal Match: 5, 3, 2, 6

Narrative

TCOA's mission to "promote and preserve the independence and dignity of the aging population." Protecting the health and safety of older adults and persons with disabilities is of the highest importance to TCOA. This agency goal is directly tied to the agency's mission.

Objectives

1. Raise awareness of domestic abuse, physical and sexual abuse and financial exploitation occurring in the older adult population and how to better respond to these situations.

Timeline: 10/01/2016 to 09/30/2019

Activities

·Continue to participate in the Ingham County Coordinated Community Response team.

Explore funding for domestic and sexual violence prevention and response.

Continue to participate in county vulnerable adult networks in the tri-county area.

Utilize social media to assist in publicizing information about current scams and fraud occurrences that are being reported locally.

Expected Outcome

Awareness of domestic abuse, physical abuse, sexual abuse and financial exploitation will be increased and tri-county residents will be better equipped to respond to and potentially prevent these situations.

Progress

-Staff attend Vulnerable Adult Network meetings in all three counties regularly. The Intake and Outreach Specialist attends the Ingham County Coordinated Community Response team regularly.

-TCOA posts any current and relevant scams on the Facebook page, including a post on 12/29/16 about a phone scam, 2/10/17 regarding the Attorney General's telemarketing fraud announcement and 3/10/17 regarding an OIG Hotline scam.

-An initiative to increase awareness of elder abuse through community education is being explored. TCOA is

Tri-County Office on Aging

FY 2018

looking at partnering with current contractors and community based organizations to execute plans.

E. Support individuals with dementia living in the community, as well as their caregivers.

State Goal Match: 3, 5, 6, 1

Narrative

The 2016 needs assessments and community forums indicated interest in expanding services to support individuals with dementia living in the community, as well as their caregivers.

Objectives

1. Work to expand access to programs and services available for individuals with Alzheimer's Disease and other forms of dementia who are residing in the community, as well as their formal and informal caregivers.

Timeline: 10/01/2016 to 09/30/2019

Activities

- Expand SAVVY/Creating Confident Caregivers training to reach more caregivers of minority populations.

Maintain the Resource Directory for Caregivers with an emphasis on dementia supports in partnership with other community organizations.

Create opportunities for persons with dementia to receive personal music therapy.

Partner with AASA and AAAAM to secure funding for Evidence-Based Programs relating to dementia.

Expected Outcome

There will be a decreased rate of caregiver burn-out in the tri-county area and persons with dementia will have increased access to programs and services specific to their disease.

Progress

-Initiated collaboration with Sally Steiner with MDHHS and Carey Sherman of University of Michigan to establish Spanish SAVVY/CCC class to reach minorities. Working with Michigan State University to develop a potential pool of Spanish speaking trainers.

-Caregiver Resource Directory packets have been assembled and are being distributed, as needed.

-TCOA is partnering with AASA and five other AAAs for the Dementia Dexterity grant. Included in the partnership is participation in a learning collaborative, developing evidence informed training for individuals not eligible for CCC, and participating in the pilot training of first responders and direct care workers.

-TCOA also plans to identify individuals in the community who might benefit from further assessment by their physician and provide referral information to those identified. TCOA staff who have direct contact with clients through I&A, MOW and MMAP will be trained to utilize a dementia screening tool such as the AD8 in order to accomplish this. TCOA will work collaboratively with AASA and other participating AAAs to identify appropriate training. TCOA will continue to offer Options Counseling that includes information on dementia care and futures planning.

APPENDIX D

Agreement for Receipt of Supplemental Cash-In-Lieu of Commodity Payments for the Nutrition Program for the Elderly

The above identified agency, (hereinafter referred to as the GRANTEE), under contract with the Aging and Adult Services Agency (AASA), affirms that its contractor(s) have secured local funding for additional meals for senior citizens which is not included in the current fiscal year (see above) application and contract as approved by the GRANTEE.

Estimated number of meals these funds will be used to produce is:	550,000
--	----------------

These meals are administered by the contractor(s) as part of the Nutrition Program for the Elderly, and the meals served are in compliance with all State and Federal requirements applicable to Title III, Part C of the Older Americans Act of 1965, as amended.

Therefore, the GRANTEE agrees to report monthly on a separate AASA Financial Status Report the number of meals served utilizing the local funds, and in consideration of these meals will receive separate reimbursement at the authorized per meal level cash-in-lieu of United States Department of Agriculture commodities, to the extent that these funds are available to AASA.

The GRANTEE also affirms that the cash-in-lieu reimbursement will be used exclusively to purchase domestic agricultural products, and will provide separate accounting for receipt of these funds.
